#### Message by Vice-Principal

It is a matter of immense pleasure to bring out the CMP e-newsletter 2020-21 of the primary wing. It has been indeed a different but dynamic session. The need to rapidly adapt to a new context of teaching and learning online has revealed how we encountered and experienced the challenges and opportunities to carry on both the scholastic and co-scholastic activities in such unexpected circumstances. This CMP newsletter has a reflection of all the activities that have been carried out in the primary section throughout the year. I extend my heartiest gratitude to our worthy Principal, Sh. Vijay Pal Singh for his constant encouragement and support. I also congratulate the entire team of the Primary wing to bring out this newsletter successfully.
